

State Approved Reciprocal Training for Enhanced Emissions Technicians
11/12/03

Training	Course Name	May Substitute
ASE	A8	None
	T1	None
	L1	None
Ford	Automotive Electrical Systems	None
	Essentials of Drivability Diagnosis (self study)	None
	Automotive Electronics	*FMT 3007 D2P1 Automotive Electronics
	Ignition System Theory & Operation (self study)	*FMT 31S03M0 Ignition Systems Diagnosis
	Exhaust & Emission System Diagnosis	*FMT 31S05M0 - Same
	Ignition, Exhaust & Emission System Diagnosis	None
	Fuel & Air Inlet Systems	None
	Fuel & Air Inlet Diagnosis	*FMT 31S08M0 - Same
		* = Ford Multimedia Training
GM	Fuel Injection (EFI/PFI)	None
	On Board Diagnostics Generation II	16030.00 & 16030.01 OBD II & OBD II Update
	Tech I Familiarization	None
	Tech II Familiarization	None
Chrysler	Emission Inspection and Maintenance	None
	Electrical Diagnosis 1	087108V The Unseen Force AND 087208V Electricity-The Magnetic Attraction
	Electrical Diagnosis 2	087308V The Electronic Truth
	Intro to Domestic Fuel Injection	147108V Speed Density Fuel Injection
	At least one of the following "Skill Level Three" Fuel courses: 0830116 FWD 4 - Cylinder Fuel Injection 0830616 FWD V6 - Fuel Injection 0830316 FWD V6 - MMC Fuel Injection	None

Toyota	Advanced Emissions and Drivability Diagnosis	972
Saturn	15 Day Program	None
Mitsubishi	Electrical Fundamentals (Student Guide & Video #70 Self Study)	None
	Electrical Fundamentals (Instructor Level)	None
	Electrical Systems Diagnosis (Instructor Level)	None
	Engine Fundamentals (Student Guide & Video #67 Self Study)	None
	Carburetor & Emission Control Repair (Instructor Led)	None
	Engine Performance Fundamentals (Student Guide & Video #62 Self Study)	None
	Engine Management Systems (Student Guide & Video #65 Self Study)	None
	Emissions Diagnosis (Student Guide & Video #63 Instructor Led)	None
Nissan	Currently Under Review
